

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF HEARING ON APPLICATIONS FOR OPERATING PERMIT AND SPACING VARIANCE

NOTICE: the General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors ("Board"). A preliminary hearing on each permit amendment and spacing variance request will be held on Friday December 19, 2025, at 9:00 a.m. at the District's office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District's rules. Each proposed permit amendment and spacing variance request and its underlying application is available for inspection at the District's office.

On or after the December 19, 2025 hearing, the Board of Directors may deny or grant in full or in part a permit amendment application, and issue a permit amendment in any amount less than or equal to the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.
